

Volunteers program

Ziebell's Farmhouse

Gardening • Tours • Events

The number of visitors to Ziebell's Farmhouse is growing and we need more volunteers to help.

Currently we are seeking volunteers to assist with gardening and tours but we always love to hear from anyone in the community who may have specific suggestions on how they can help.

If you would like to assist at Ziebell's Farmhouse, please take a moment to complete this form, return it to one of our volunteers and we will contact you to work out all the details. Alternatively, feel free to contact one of our coordinators directly.

I'd like to assist with:

Gardening

Gillian is the gardening coordinator. Currently we have regular garden working bees every second Tuesday 8 am–12 noon. You are welcome to join these for the whole of that time, or any part thereof.

Tours & events

Tatiana is the tour coordinator. Currently tours are organised on weekdays for 10 or more people. We are seeking volunteers for any or all of these roles:

- tour guides
 - catering service
 - book and merchandise sales
- Assistance & training is available
